The Premises:

Easy to find from directions given. Near to tube so no idea re parking. Bathroom clean with more toiletries than Superdrug! Nice thick towel for shower. Bedroom clean with a long mirror on wall.

The Lady:

Exactly as per the photos on the web site. Long black hair. Slim. Beautiful. Good enough English to hold a conversation. Friendly. Shaven.

The Story:

Vicky had on a white slip type garment. Started off with DFK. I moved the slip down and revealed good sized, firm breasts. Sucked her nipples which seemed to be very sensitive. She then knelt down and started sucking me OWO - very nicely. After a while I had her lie down and sucked her toes which seemed similarly sensitive. Then on to her beautiful shaven pussy. Sweet and clean. Also very sensitive so I spent ages licking, kissing and rubbing her clitoris. She came umpteen times. At some point she lay on the bed and deep-throated me. Then more pussy licking. Then I knelt her down and rimmed her whilst gently rubbing her clitoris. More orgasms! Finally on with the condom and finished in doggy. Lay and cuddled and chatted. Super nice girl!
