The Premises:

Infinity is on the East side of Manchester, a couple of miles outside the city centre, not far from the Etihad stadium.

Quiet area, plenty of parking. Friendly staff (especially Rachel), & some great girls. Decent rooms & good showers.

A couple of security gates to get thru before you enter the comfortable, relaxed reception area.

The Lady:

Talia is a really cute (she'll hate that, lol), 20 year old (definitely NOT 29!) Brunette, with lovely big eyes & a great smile that lights up her face.

Website photos & description are accurate.

Slim (despite all that KFC she eats!) with lovely, enhanced breasts.

Smiley, friendly & likeable, she's also quick witted & funny.

The Story:

I'd been wanting to see Talia (luv that name) for a while & finally got the chance when some plans I had for the night were changed at the last minute.

Talia was wearing a fetching 2 piece metallic sea green (I think, might be wrong) bikini which soon came off before I had the chance to properly admire her in it.

I got a chance to caress her body as we made some small talk & got to know one another a little bit, I liked her boobs, fit her frame perfectly.

I gently kissed & sucked her nipples before we got on the bed for a decent OWO blow job, some nice eye contact (she has great, expressive eyes), no deep throat, about halfway.

She made it clear she did GFE not PSE, I told her that was fine with me.

Kissing was disappointing, brief & light with not much enthusiasm. Oh well, can't win 'em all!

Despite the poor kissing I was hard & good to go so the rubber made it's appearance.

She climbed on for Cowgirl & bounced up & down on my cock with her eyes lit up & a joyful smile on her face.

She felt good, tight.

No doubt i'm stating the bloody obvious but there are many worse things in the world than having a sexy, cute, naked 20 year old bouncing up & down on your hard on with a look of pleasure on her face!

No shit Sherlock!

Good times. :D

It was short & sweet as she climbed off for a rest & I went on top for Mish.

She spread wide & I gave her a good, hard (ish) shagging, like I said before her face is really expressive & when she's enjoying herself it's obvious.

Lotta eye contact as she was smiling at me & a lot of gasping with her mouth open, her enjoyment was turning me on more & made it more pleasurable for me.

I wanted to play with her small, sexy feet as I fucked her but she told me she was ticklish, so I settled for threading my fingers between her toes & pushing her legs right back so that I was deep inside her, that got a good reaction from her as her eyes lit up again & she smiled & encouraged me.

She was very engaged in the punt & obviously enjoys sex. (Not a given with all WGs).

She pulled my hips into her so my cock was buried inside her.

Luvd it!

RO

She had a small, neat, shaved pussy, that was now open & quite wet.

I could smell my favourite aroma, pussy juice.

Mmmmm.

She was into it & responsive right away but frustratingly she wouldn't let me make her cum because it was the start of her shift & if she had an orgasm she'd just wanna eat then go to sleep.

Ha!

Funny but frustrating.

More mish, again I gave her an energetic screwing, with a bit of sexy dirty talk as well.

Again she spread wide, again we were both enjoying it.

I began rubbing her clit with my fingers as we fucked & her moans increased right away but she soon pulled my hand away, again she didn't wanna cum.

Annoying when she was so obviously enjoying it. I could understand but still.....

She told me she was a giver not a receiver, I told I was the same, so let me bring you off, but she wasn't having it.

Oh well.

We moved into doggy, she's slim hiped with a small booty.

The doggy lasted a coupla minutes or so & was really enjoyable, lots of moans & gasps from her, she reached under & fondled my balls as we shagged & turned her head to the side so we could look at each other.

I fucked her until we both tired then lay on the bed next to each other to recover, the condom was removed & we kissed lightly as she played with me.

I asked for another blow job & she knelt between my legs, on the bed, and got me hard again with her mouth & hand.

She doesn't do CIM (no chance!) so I asked to cum on her tits.

Nice bit of ball licking at my request, again great eye contact, after a while I felt the sap rising & told her, she positioned her tits over my bellend but most of my load went over her hand.

She joked I owed her £50 as COH (Cum on Hand) was an 'extra'.

A really enjoyable half hour with Talia, we were both quite tired at the end from the workout.

She told me not many punters fucked her like that, which I took as a compliment!

She also said I looked Australian, which slightly puzzled me, I never asked her if that was a good or bad thing.

Next time, maybe.

Highly recommended if you like good looking, cute (!), sexy, friendly, enthusiastic, sex loving 20 year olds (& if u don't what are u doing on this site??!!).
