The Lady:

Lilly is a Brazilian lady and as her photo's show great looking. Her English is very good. Her photo's are spot on. She is incredible shapely with incredible breasts and firm round bottom.

The Story:

I was shown to my room and a few minutes later there was a knock at the door and this incredibly sexy lady walked in. She wore a white corset showing off her ample cleavage and beamed with a lovely alluring smile. She walked over and gave me a long lingering kiss which immediately aroused the old man. I could not get my and her clothes off quickly enough and put my mouth around those enormous breasts and squeeze that firm bum. We continued for some time standing and kissing with her grinding her bum into me before getting onto the bed. I asked if she did anal as this was not on her list and she said she did, but this was extra. I agreed to pay the extra. This girl really knows how to work her body with tremendous DFK which I love. Several positions later and it was my turn to do some work. So head between her legs and work I did. I could have done that for hours, she was lovely, squirming and writhing. She tasted lovely. We ended with a lovely cuddle during which I learnt this was her first day at Anabella's so I hope there will be many more. The best GFE I have had. I will be back asap for a second round.
