### The Lady:

Clara is a stunning brunette with a lovely figure and gorgeous brown eyes, her pictures barely do her justice. Clara dressed exactly as I asked and looked divine.

### The Story:

After 4 visits to London to see Clara I decided I just had to spend a night with her. Creating the perfect evening with Clara took a bit of organising and she assured me it would be worth it. She was not kidding! Clara arrived about 7.30pm and the very sight of her took my breath away. I quickly relaxed and the night was spent chatting, drinking, having fun and obviously lots of wonderful sex. She is a very horny, attentive lady and a huge turn on for me was that she was as keen to get my kit off as I was hers. I don't want to go into too much detail, just to say there was many different positions and the look on her face as she is giving a BJ was wicked. We also spent a lot of time kissing, cuddling and caressing each other. We eventually cuddled up and fell asleep about midnight. Later that morning we awoke to another enjoyable session before breakfast. All in all a fantastic sexual rollercoaster. I would definitely recommend this experience and IMHO would rather have this than 8 hourly visits to London. The day after she sent me a text message saying she was glad I liked the overnighter. Clara I didn't like it - I loved every second of it. Can't wait to see you again.
