The Story:

Made an appointment to see the fairly recently started Samantha, was pissing with rain when I arrived , the lovely Arianna let me in , who is very sadly only maidling , was shown into the back bedroom , Samantha joined me looking sensational with a lovely smile we said hi and kissed , made the arrangements , she asked me to get undressed , having nipped out and returned moments later , she suggested like most of the Debbie's girls we take a shower together which I was definitely up for , she was about to take off her knickers , but I told her that I would love to , which I eased down revealing her sensational pretty shaven pussy. We each wrapped a towel around ourselves and got into the bathroom and the wonderfully cramped shower.

For me it was wonderful to lather her slim figure and divine firm arse , while she lathered my cock telling me he was "a perfect size as I have a little pussy".

We returned to the bedroom and dried ourselves , Samantha offered me a massage but as she has such a sensational body I told her I would love to give her a massage , which she said she'd enjoy with some oil , and she lay on her front , OMG she has a perfect firm slim toned body which was heavenly to rub , which she told me she was enjoying .

I asked her to turn over and took one of her nipples in my mouth , and gently sucked , lovely and pert , I asked her how this was for her and she replied wonderful , before I commenced on the second equally firm and perfect.

I told her they were perfect but she had something even more wonderful as I opened the beautiful petals of flesh of her perfect pussy , and blissfully started to lick her clit , she moaned nicely her pussy wonderfully wet and responsive , and after about five minutes quicker than most girls her body tensed , and she pushed my head back , telling me she had had an orgasm.

It was her turn she took my cock OWO and started to suck, her beautiful blue eyes open and glinting, a wonderful smile, sometimes flicking her tongue across the end and shaft and sometimes

some very hard sucking, a variety of techniques making for an amazing blow job , she only paused to tell me to let her know if she was going to come as she does not do CIM .

I told her I would love to lick her pussy again this time with her sitting on my face , with her facing forwards , she was wonderfully reactive again and it was delightful to look up to her body and face , and it didn't take long before she climaxed and climbed off.

She proceeded to treat me to a second delightful bout of cock sucking using all the same range of exquisite techniques .

We were both undoubtedly ready and she extremely skillfully and quickly slid condom over my cock , we started in cowgirl OMG when she told me she had a little pussy she wasn't kidding , she had a sensational hot , tight , wet honeypot , and sometimes she leant forward so we could snog.

Subsequently we switched to doggie and to compound the pleasure I could see us in the mirror , her enchanting smile and moaning showed that she was as into and enjoying the fuck as much as I was . We moved onto missionary I told her I was about to come and I felt myself blissfully spunking into the condom, enveloped in her fabulous pussy.

She helped me clean up. As there was still a little time left at her suggestion we took a second shower together with lots of lovely kissing and caressing and after we had both got dressed she gave me a lovely kiss goodbye.

Before leaving I touched base with lovely Arianna the maid a legendary favourite at Debbie's but alas no longer working , and also the incredibly sexy Melissa (you are spoilt for choice here) Samantha is yet another friendly and horny girl , Debbie's have done it again
