The Premises:

Usual location just off the High Street. Discrete entrance and plenty of free parking.

The Lady:

Tall, early twenties, slim, pretty, silky smooth skin, perfect breasts and beautiful long(ish) hair. If like me you prefer your ladies slim and pretty you have hit the jackpot with Chelsea!

The Story:

Had an hour to kill and was just around the corner from MKE so couldn't resist. The agency were easy and efficient to deal with as always and five minutes later this lovely young lady walked into the room in black lingerie and stockings.

Some times things just click and this was one of those meetings. I won't go into details but things progressed rapidly and very, very pleasantly. In summary, Chelsea took the time to find out what I wanted and provided it expertly and willingly - even eagerly at times - she is a real star.

See you again soon miss!
