The Premises:

Smart flat in a city centre location. Nearest parking at the moment is probably Worcester Street.

The Lady:

An attractive thai lady, matching the description on AW. Wore a very sexy black lace dress.

The Story:

Asked for a body to body massage.

She started with a good back massage slowly working up towards my balls, then started the body to body sliding over me.

After I turned over she continued sliding her body and breasts over my cock before finally giving me good, well-oiled HR with lots of ball play.
