The Premises:

The 613 club has an all black frontage with the words 613 Club across the top. You enter into a passage way and come to another dooor with a bell. Ringing that gets you admitted.

Inside was rather shabby. Two ladies appeared to be available, but the lady who let me in (dressed in a coat, but with fishnet tights visible underneath) said she was also available. I opted for her.

The Lady:

Lola is about 5'2" with light brown skin and short hair, and small but firm and perky boobs.

The Story:

It took a long time for Lola to come back after she'd taken the money (the perils of picking the acting manageress). We'd negotiated 55 for massage and 30 for uncovered blow job (which does seem excessive, but its what I wanted). Started with that after she'd said that it would only be for a short time. In the end, after some persuasion, I got about 5 minutes of reasonably good uncovered oral. Then on with condom and cowgirl followed by missionary and doggy. Finally (for an extra 10) she wanked me off over her tits.

Good, but with a rather money grabbing feel. The web site at the time said it was £80 for 30 minutes but Lola said a new owner had brought the place and reduced the price to 55 per half hour. I'd been about 16 years ago and the place felt much scruffier, apart from some newish looking showers in each room. Probably worth checking out how the new owners develop it in a few months.
