The Story:

I had the pleasure of meeting and playing with Nina this afternoon. She has excellent English and although there was no reply to my original call she sent me a text when she was free to talk. I wish a few more ladies did that. Anyway, the arrangements were made without any difficulty and I arrived as arranged. I was delighted when she opened the door. She is a great looking woman with a great figure. She is vivacious and full of fun. After my shower the fun began. Great oral followed by hot and horny sex. Nina has a naughty mind and is willing to entertain my requests. I availed of one of her favorites at an extra charge, which was agreed when I made the booking. Nina is going away for a short while but says she will be back in a short time for a longer stay. I have no doubt that this lady is going to be in great demand. A hot and fun lady
