The Premises:

First time back to GFE & first report on anywhere for me for a while & was glad to find the same super clean establishment packed full of lovely sexy ladies that I've always had super sexy fun times visiting. From being buzzed in to taking my leave the whole experience was one of erotic indulgence! The areas still safe with lots of on street parking if their car parks full nearby.

The Lady:

'Nicole' is a lovely blonde thirty something (I'd guess) lady with a lovely smile, fit slim build, nice curvy ass & super big enhanced boobs that on her slim figure look massive! She was also polite & chatty throughout adding to the goddess experience!

The Story:

I know it can get busy here so I rang ahead & pre booked 'Nicole' & after I arrived I had a chat with the lovely Toni on reception who made me a super coffee before 'Nicole' whisked me up the famous GFE steps so I got a great eye full of her lovely lingerie clad ass & legs climbing the stairs!

Once in the room I showered as she went elsewhere to prepare. Then she came back into the room & we started with a massage & chat where she told me she was up for more or less anything except Anal or CIM. As she slowly took off her lovely lingerie to display her big firm boobs, ass and shaven pussy the session quickly descended into a more exciting and erotic encounter! We started with some mutual massage that flowed on to me stroking & rimming her beautiful peachy ass before she gave me some lovely OWO with lots of tongue action, ball sucking & kissing up & down my shaft. This was followed by a great 69 with lots of mutual sloppy oral pleasure before she reached for a condom while sitting on my face & proceeded to roll it down over my hard cock. We then quickly moved into mish with lots of pleasurable thrusting & writhing before we moved into doggie for some more thrusting fun then back into mish again before I withdrew we removed the condom & I finished to a lovely ending with her hand & mine wanking my cock as I came on her lovely tits! We then had a wind down clean up & chat before getting dressed & going back to reception. After another coffee I took my leave with a lovely hug from 'Nicole' & a cheery wave from 'Toni' a well satisfied chap!

So to sum up GFEs is still a first class establishment, Nicole is a super sexy lady & I had my familiar

post punt grin all over my face!
