### The Premises:

Well-known building near South Ken, safe, easy and hassle-free. She has a room in a shared flat with perfectly adequate shower/bathroom. Nothing special about the place but nothing wrong with it either.

### The Lady:

Very close to the photos on the site, only I would say the reality is better. French, blonde, blue eyes, all natural, super-slim, perfect skin. I would guess she's around 25.

### The Story:

Booking made with the usual reliability and simplicity of this agency. It was on a last minute whim that I decided to see Leanne though as I had planned to visit someone else. It ended up being a great decision in the end. Upon arrival, she was dressed exactly as requested, and I was greeted with a smile and really cheerful demeanour that immediately put me at ease.

Leanne is absolutely gorgeous with model looks but none of the bad attitude. Comes across as really intelligent and confident but knows how to make you feel like you've known her for ages.

After a shower and a brief bit of chat, she got on with a BJ (covered but with great technique) before moving on to a few different positions, all of which were spot-on, with no silly acting. She was not a clockwatcher in any way and just seemed focused on delivering a good time.

One very minor negative was a slightly intrusive phone which was beeping quite a lot, at least to begin with, but she ignored it after the first couple of times so wasn't really a problem.

Not sure how Leanne would be if you want an all-out PSE, but for the kind of relaxed, friendly, GFE that I go for, I think it would be really tough to find anyone better. Very much recommended, and I will definitely return, maybe with a longer booking next time.
