The location is relatively easy to find not far from Victoria station

### The Lady:

It's difficult for me to put this in words on how beautiful she is, but all you need know is she is definitely worth it.

### The Story:

I'm going to keep this short and simple, we started on the bed where Kim gave me OWO which was amazing. Then followed by her on top and lastly finishing from doggy. Overall the experience was great in fact so great that lets just say I plan on seeing her again at some point very soon.
