so much better than her photos, which are stunning. Check Twitter photos. 5'5", size 6, lithe and toned. Olive skin so tight and supple. Romanian with good conversational English. Kirsty's friend ! Raven beauty.

The Story:

Kim certainly knows how to make an impact by coming into the room wearing only her heels. Exquisite beauty who takes pleasure in showing you her physique. Particularly enjoyed her admiring herself in the full length mirror and dancing. So nice to give her a massage first and most arousing to see her arch her back to allow better access to her ass. She tasted divine and enjoyed my gentle tonguing of her perfect asshole. Then to most pleasant OWO whilst holding her hair so I can get the best possible view of her in action. On with the cover and then she took control: she loves doggy style and I was in no position to refuse. She tells you exactly how she likes it and doesn't hold back with physicality. Best of all as she says "I am a naughty girl": she certainly is! She takes full control at the right moments and her line in filthy talk was exceptional. A real turn on. Cowgirl next with her filthy urging and slapping my chest. She used full force to pound my dick and I can still feel her body slamming down onto mine. Intense orgasm needless to say. Nice chit chat after and she has a great SOH once you get to know her. Still thinking about her nubile dancing in front of the mirror. naughty girl!
