The Premises:

I found the flat to be stylish and comfortable, with an on suite bathroom for convenience, all of which was very clean.

Being in central Milton Keynes and on a weekday parking is limited, so get there 15 minutes early to avoid stress.

The building itself looks like an office block, but the name is clearly displayed and it's the only building with black windows.

The Lady:

I can only describe Nadia as truly beautiful, with long black hair, flawless skin and such a pretty face, I couldn't believe I was with such an attractive lady.

Nadia is slim, approximately 5'4, and perfectly proportioned, with the loveliest bottom I have had the privilege to behold.

The Story:

I have seen Nadia before and could only wait a couple of weeks before visiting her again.

She entered the room in her underwear and yep my memory didn't deceive me; she is that perfect.

We chatted whilst getting undressed, before she joined me on the bed.

Nadia started with an amazing oral technique that felt sensational, before lying beside me so I could enjoy the feel of her body. I truly believe she was comfortable with me kissing and caressing her body, as I worked my way down to giving her oral (she was very patient with my poor technique, and didn't rush me at all).

Nadia returned the favour with another amazing blow job, before gliding the condom on, getting on top of me, and guiding me into her warmth. After my last visit, I knew my erectile dysfunction was no

longer an issue, but whether it's her amazing techniques or my sensitivity, but I barely lasted 30 seconds; I never knew that a simple tilt of a pelvis could creates such sensations. I apologised for my lack of control, and she told me that there was no need, which I felt was genuine.

I envy you guys who have more sexally prowess than I, because I'm sure Nadia can take you to greater heights than I can achieve at the moment.
