The Premises:

A flat located near Bromley-by-bow tube station. It is on the side of the road heading south towards the Blackwall tunnel. It was a very discreet entrance through a locked gate.

The Lady:

A very attractive, dark haired and full figured Hungarian girl.

The Story:

I enjoyed my session because Amy was very friendly. I started the session with a shower and when I returned I removed Amy's red bra. This was very enjoyable because I enjoyed feeling and sucking her 40EE breasts. She then gave me a relaxing massage and followed that with uncovered oral. I had a second opportunity to enjoy her breasts and my fee included a £10 tip to end the session with a facial. She covered her eyes and I delivered a decent load over her mouth and cheeks.
