The Story:

I was shown to the room by a maid and waited for Arabella to arrive as she walked in I couldn't believe how tall she was very imposing woman I was almost intimidated by her until she spoke to me in her soft voice. So we both got naked and what a sight Arabella is I was hard straight away and we FK for a moment whilst standing then onto the bed and treated to OWO which was very nice and wet I almost came there and then so asked Arabella to stop. On with the hood and started with this beauty on top then from behind and missionary with her legs up on my shoulders what a sight! I like to put it in deep and she was fine with this some girls don't like it! and she also grabbed me to make me go harder and faster it was so damn good I was shaking when it was all over. Will look out for her return to mk
