The Story:

Once the payment was made we shared a shower, went to the bedroom, kissed passionately and caressed and cuddled. She headed down south to say hello to my old boy, then we got onto the bed, loads more kissing, squeezing, stroking, etc. She did some more oral on me, then I went down on her. She got a couple of toys from the drawer, and got on her knees, I slipped one into her pussy, while she used the other on her clit, and I licked and fingered her asshole. After a while she laid on her back and we had intercourse for a while, then we got into a 69, which ended with both of us cumming at about the same time. After that she gave my back and bum a nice massage, then we went to the bathroom again, and I asked for a golden shower, but she couldn't do much, and said I need to let the agency know in advance next time. Finished off with another shared shower, kissed goodbye, and I went on my way.
