The Premises:

Basement flat in west London.

I preferred the Warren street one as more discreet but this is ok.

Inside, its clean and tidy.

The Lady:

Tall fit blonde (honey blonde) Australian model. Very attractive. Amazing legs and bum.

Really fit naturally. Athletic tone with no body fat.

Boobs enhanced to a D cup but felt good.

The Story:

I was Annekai's first client of the day. Her photos had got my pulse racing as soon as I'd seen them.

When she walked into the room I was pleasantly surprised. A tall lithe beauty with long long legs.

Elegant and beautiful, even more so than her photos.

Having sorted out the financial side, it was onto the bed where Annekai performed 10/10.

I was there for a basic service but as she does A, i will be back to sample more of her services.

I found Annekai really genuine and friendly.

She wasn't one of those girls who waste time by talking.

She is an intelligent girl and it was a real privelege to meet somebody so nice and friendly and yet so so sexy.

She really went out of her way to give me a 10/10 service.

Annekai..if you read this, I would like to see you again.
