The Premises:

This lady works in a luxury apartment in a block of flats. Parking is easy and plentiful. The neighbourhood is respectable and safe. Entrance to the flats is by buzzing her, after which she activates a door release. After climbing a flight of stairs, access to the flat is simply by knocking. It is very discrete. I have never encountered anyone else in several visits.

As I always arrive freshly showered, I cannot comment on the bathroom facilities, but the flat is clean and tidy so I imagine that would be too.

The Lady:

The lady is a petite but very busty redhead. She is white British. Her profile gives her age as 37 but I would guess more like mid 40s. She stands about 5 feet 6" in her heels. She is reasonably attractive, especially her eyes, which she believes are her best feature. She has some visible tattoos but I have never found them offputting. Her overall demeanour is bubbly and friendly, treat her politely and she responds in kind. She has a good sense of humour and enjoys a joke. Her photos are definitely her.

The Story:

I have visited this lady several times, and never been disappointed. I am now a regular and we sometimes exchange texts between bookings. Her sexual skills are considerable, and she clearly enjoys her work and takes a pride in pleasing the client. I have enjoyed full intercourse (in various positions), hand relief, corporal punishment and role play at different times, and she has always been excellent and accomodating at everything. She does not allow cum in mouth but she will take someone close with oral then finish them by hand. Her hand relief skills are amazing and she can tease and edge until you are begging for relief. The fact that she is a friendly and likeable girl makes it all even better. Her prices are very low for the quality of service she provides.
