The Premises:

Discrete location behind the high street with plenty of free parking. Inside they are always making improvements and it continues to be a well-managed venue.

The Lady:

Photos of Rachael are accurate but don't show off her smile and sexy eyes. She has a well toned body and amazing bum on her. She is a pleasure to spend 45 mins even if just for her company and nothing else.

The Story:

Firstly, it is worth mentioning this is at least my second visit to Rachael and I am not sure why I didn't write a review before now but it is safe to say she deserved a review from me before now. As always, I was greeted by Millie who was welcoming and offered me a drink.

Once I was shown to the room I was shortly joined by Rachael who was pleasure to see again, I am sure she is looking better every time I see her. I had a quick shower and then on the massage table, I was definitely in need of a good deep massage and as always Rachael delivered a great massage. She focused on all the key areas before a bit of body to body which is always amazing.

Then I turned over and I was quickly reminded of the beauty that is Rachael, gorgeous is the only word that comes to mind. The end came far too quickly for my liking but who can help themselves with this amazing lady! I will definitely not wait so long before my next visit to Rachael and will always recommend her.
