The Story:

It was all abit fraught, I had booked to see a different girl but when I arrived at Paddington the agnecy said she had moved. They were very helpful in suggesting an alternative when I said I did not have time to travel to the new address, but the instructios to the new address were a bit garbled, but luckily when I had but given up, I spotted the right street on a map, but it was the other side of the station. I nearly gave up, usually in this situation, it is invariably a disappointment, but I was as horny as a cart load of monkeys by now and desperate for some action.

Just for once it turned out nice!

Darly is a delightful girl and anxious to please. There is no DFK but everything else I wanted was available and possibly there is more to discover - and I shall ejoy doing that on another visit.

Readers will know how I bemoan the tightness of the condom and how I rarely climax inside, with Darly I experienced the most intest orgasm I have had for years. Penitration started with her on top, but we switched to missionary.

There was no faux climax on her part, I look forward to trying again with her now I know her body better. She seemed to enjoy oral but without a climax. Later I found that she seemed to like being on all fours with her breasts hanging down, with me paying attention to her nipples with my tongue. I will start here next time. Her oral skills were soooooo good. I can still feel her mouth around my cock. Highly recommeded gentlemen - a rare treasure. I shall certainly be back to feel my cock in her pussy and my lips on her breasts. I will try her favourite position next time - doggy!
