### The Premises:

Wonderful place not as discreet entrance as I would like but hidden enough as to not discourage. Plus lots of free parking nearby

### The Lady:

Just go on the website and enjoy the pictures as they are very accurate. But a beautiful lady with nice petite breast and a nice toned body.

### The Story:

On entering the establishment I was greeted by the gorgeous Demi. Very pleasant and made me feel at ease within seconds. After waiting a short time for the room to be made ready summer greeted me and guided me to the room where I experienced one of the best massages I have ever had nothing was rushed and the attention to detail was fantastic. Plus the best hj I have had in my life can't wait to return for another session with the wonderful summer, the only problem I face is do I try one of the other girls or keep with summer.
