The Story:

It is a cold windy, wet day. The leaves were blowing, but not the only thing as it turns out.

Led in by the very friendly maid, where I waited. Tina gracefully entered with my glass of water, and a stunning red one-piece lingerie thing, before helping me warm up my hands. We undressed, and got on to the bed for the fun part. Tina was considerate enough to ask me what I liked, and the time flew by in a blur of watching Tina using her mouth, lying back and touching herself, my going down on her, and 69'ing before it was time for the condom and cowgirl.

Finished with a nice chat and great massage.

I didn't feel I clicked with Tina like some other girls, but I was pretty nervous which didn't help. Overall though, had a good time with a stunning girl.
