The Premises:

Nice spacious apartment. Easy to get to by public transport.

The Lady:

I was not impressed at how different Goldie looked in comparison to the pictures. She is at least one dress size bigger. Very little tone to her body. The pictures seem to have been photo shopped a lot.

She is definitely the lady in the pictures. Just looking not so attractive.

The Story:

I tried to make the best of the booking considering how different she looked compared to the pictures. She does not kiss properly so I found it difficult to get into the booking.

Oral is with. She gives a good blowjob with condom. A handjob finish and I was out.

Goldie is nice and welcoming but not really the kind of booking I was hoping for.
