The Premises:

I have not used this agency before, I found them very helpful and efficient. Location is easy to find and the flat is very acceptable. Shower offered and taken.

The Lady:

Russian, platinum blonde, small tits, lovely body - very much as photos. Very warm and welcoming, I felt very much at ease.

The Story:

no I won't be as detailed as possible! I will only give you a general idea. Oral was lovely and well done, a bit too vigorous for me in parts, but responds well to direction. I returned the favour with my lips on her nipples and pussy which she seemed to enjoy - a lot. Penetration - her on top, me on top and doggy, I did not come, but that was because I have been wanking too much recently, next time I go I will abstain for a week before hand, it will be worth it. She did for me in the end by tickling my balls while I pulled myself off. Doesn't sound very edifying, but it was cool at the time. She is a girl who enjoys sex and accepts anything which goes with it. Next time it's role play and boy will there be a next time.

This review so far has not really explained just what a fabulous girl she is and just how good she is in bed.

I will be back and soon too. Treat her well boys because I am in love with her.
