The Premises:

One of 6 locations under the One2One banner. Bookings made to central reception, the lovely Money Penny. This flat in Hatfield (amusingly number 69) is located in a modern development close by A1M and Galleria. Plenty of car parking on site, the flat is clean, spacious, anonymous and suitable for purpose. Only the lady booked is present so the advertised "one to one" service is what I have always enjoyed with this excellent agency.

The Lady:

Anastasia is a recent addition to One2One. Her profile and pictures on the website are in my view accurate, she is a tall, beautiful natural blonde with a body to "die for". A lovely smile and the most captivating blue eyes. She hails from Estonia and her English is excellent.

The Story:

A first visit to Anastasia for this special agent. The welcome was warm and I immediately felt at ease with this beautiful woman. The preliminaries dealt with and we were soon both stripped for action. First, I gave her a 007 tantric massage culminating in the use of tongue on a lovely sweet tasting pussy. This certainly aroused me and had the same effect on her. The body to body massage was top notch. Application of condom followed by a great session of sex in missionary mode. Lots of blue eyed contact, chat and laughter. She is really lovely. She is very good at giving OWO and this culminated in my happy ending on to her perfect breasts. Anastasia is going to be a firm One2One favourite and gets the 007 5* seal of approval.
