### The Premises:

Nice flat close to Paddington Station. Clean and everything OK.

### The Lady:

She is a lovely little thing. Small slim body, very small breasts which I thought would be bigger but she had a padded bra on.

### The Story:

Mimi is a small blonde. She was wearing stockings as I had requested. At first she is a little shy. I was also a bit disappointed initially at the lack of french kissing, however as she relaxed she did start to do this a little. Maybe she liked me. I should add that was only later on. She has a really nice slim body and her breasts are very small. She is clean and had a nice fresh scent too. While she was on top of me her phone started beeping with messages and then eventually it was ringing and wouldn't stop. She kept saying sorry about that and I thought she handled it quite well. She eventually answered the phone and said "I'm busy" and turned it off! She gave very nice oral without a condom. We then did doggy for a while. Her bed is a bit noisy and kept hitting the wall so she put a pillow at the back of it to stop the banging. I finished by coming over her body and then she cleaned everything up. My time was up but she was very relaxed about me taking a shower afterwards. She is very cute and friendly.
