HOD3 is a new place in Pimlico. Just off the main road. Very nice - in fact it is probably the nicest place I have been to for an incall

The Lady:

Danielle is better than her photos! Absolutely stunning. Black curly hair and a cracking arse. A real friendly girl who just made our time together fly by.

The Story:

In one word, amazing. I got there bang on time, but the girls were running a little late so the maid (who is fantastic) got me to wait in the living room with Danielle. This was great as I got a chance to have a chat with her before our time started. Danielle has such a great personality - chatting away about all sorts. We ended up chatting about why I love punting. I said I love the choice - like being in an ice cream shop and getting to try all the flavours. Danielle loved that, and said she would be mint chock chip as thats everyones favourite! And boy was she right!

It was a fantastic 30 mins - very good with her hands and mouth especially! I wilm definitely be making a return visit.
