### The Premises:

### The Lady:

When you don't see a lady's face on a website, it's always a mystery until you meet her, but Catherine is a stunningly attractive brunette. She's tall, 5ft 8 and then some in her heels - she towered over me in them.

She's a curvy lady, and my what curves were hidden, she has the most amazing FF boots !

She arrived very casually and discreetly dressed, looking the perfect business lady or social companion with a gorgeous smile. When she changed, she emerged as the most perfect sexy vixen you could wish for.

### The Story:

I met Catherine outside my hotel as she needed a key card to get in. She was casually but immaculately dressed and greeted me with a big smile. By the time we had reached the room, chatting all the way I knew I had made a good decision.

No awkward pauses, Catherine is articulate, friendly, chatting and great company. Over a glass of wine or two, we got to know each other and got comfortable.

Catherine excused herself to change and the transformation from casual social companion to vixen was a sight to behold. When she emerged, all that was missing was smoke billowing in the background. Her hair was up, red lipstick and nails, heels, stockings, leather skirt and pvc basque. I was in heaven.

When she kissed me, my 2 hour booking was upgraded to 3 hours straight away.

She kisses like you've always wanted to be kissed, deep passionate, full on, but like most girls don't, and then she carries on kissing you.

She was very open minded and there is a definite kinky side to her.

The next couple of hours were a bit of a blur, with lots of foreplay. Lots of tieing, teasing, touching, kissing, prolonged oral on her and me, more kissing, some spanking, and sex in several positions, all performed by this gorgeous, passionate lady with a big smile on her face.

I'm not kidding myself that I'm a great lothario, but Catherine is so natural and highly sexed that she will coax the best out of you. She is a genuine people pleaser, and either the greatest actress going or really enjoys what she does. Everything seemed very natural, and nothing was forced. All you want out of a booking is to meet somebody nice and have a great time. When she left, I felt 10 feet tall, and that's the best thing I can say about her.

I've seen many ladies over a lot of years, and met some lovely people (and some not so). Some are nice people who you would be happy to be with in a social setting. Some are great in the bedroom. Catherine fulfills both rolls with aplomb.

I can't rate Catherine highly enough, I had the most fantastic few hours with her, and she is without a doubt, one of the best escorts I've ever met.
