### The Premises:

Very nice clean large room. Lit Candles gave a very nice atmosphere and very comfortable from the start.

### The Lady:

Aylin is absolutely gorgeous! Around 5'8 with beautiful tanned skined and a slim, curvaceous body to die for. She smelt lovely and had on a sexy body hugging dress that looked fantastic. She made me feel comfortable from the moment I stepped in her place and is really one of the sexiest escorts I have been with (and I have been with many). Guys you need to try this lady - well educated, good English and overall very classy with a high standard of Etiquette.

### The Story:

I have a specific type of experience that I want to play out with the girls I am with and when I described this experience with Aylin she was very excited and eager to do it together. Every fantasy that I asked to play out with her - light bondage and domination - she gave her full attention and tried to please me all the way to the end. She was so good that I ended up staying much longer than I expected, and it was totally worth it at the end. Thank you Aylin for a fantastic evening and for being so accomodating and understanding of my needs. I will visit you again.
