### Details of Service Provider:

### The Premises:

Shared house in anodyne suburban street.

### The Lady:

Photos accurate. Slim fresh and good looking 19 y.o. teen from (inevitably) Romania.

### The Story:

If Bianca were actually any good at her work she could make a fortune servicing Arabs and Russians at £1,000 a pop with some upmarket Mayfair agency. But sadly for both of us, she is useless. By way of example, intercourse was permitted to a maximum depth of perhaps two inches which is insufficient even for my modestly endowed todger. Repeated inquiries as to whether "you will cum now yes?" would perhaps be reasonable after a few minutes of thrusting but were less excusable after an elapsed time of ten seconds. Given that I had paid for an hour it is unclear how Bianca was expecting me to pass the remaining 59 minutes of the session. Perhaps a long shower and a wank.

The devil of it is that this girl is extremely hot looking. Another of God's little jokes I suppose :-(
