### The Premises:

GFE Bury, is a great venue with modern decor, very clean and comfortable, pleasant rooms. Parking can be a little tricky, but lots of side streets. Leave enough time if you are driving. Clean well maintained showers.

### The Lady:

Lilly is an extremely attractive young woman in her mid twenties. The type of person you would feel comfortable with on any occasion. She is very warm, friendly and so cheerful. She has a nice curvy figure, tight and toned, with lovely large breasts and long blonde hair. For an older punter like me, who fell in love with Marilyn Monroe as a young man, I find Lilly's figure to be absolutely gorgeous.

### The Story:

I have been with Lilly many times now and on each occasion she has been terrific. She is willing to try pretty much anything that I suggest, within her limits of course. Plenty of nice OWO, RO, Mish legs up, girl on top, reverse cowgirl, Doggy, Girl face down legs spread, legs together, face sitting, teabagging etc.

On this occasion we were given the newest and most spacious room in the building and it has one of the longest sofas I have come across in a parlour, in fact that is where our fun began and Lilly was most surprised when I delivered oral to her right from the start, you see I remember how fresh and sweet she tastes. She has the ability to get her legs right back and wow what a smashing sight to behold.

Really a lovely girl to chat to and on each occasion, she goes out of her way to provide a good service throughout. She finds fun sex enjoyable and that comes across very quickly, so I try to be a little imaginative.

Well everything took off from there really, she couldn't wait to repay me, and began by blowing me in a variety of positions, including the student interview position, where she is on her knees trying her hardest to impress me with her oral skills. Nothing was left unattended, fantastic. I always feel that receiving oral from Lilly is just like getting a blow job from Marilyn Monroe, because Lilly is equally as pretty, a real blonde beauty.

Onto the bed for a little more fun and more time spent stimulating each other with oral and a lot of fingers, until she was showing signs of wanting me to introduce my little friend to her pussy. Well I always have to take it a bit easy as Lilly is quite tight, and I'm slightly bigger than average, but we managed with a lot of stimulation and wonderful lube.

Then things really took off, my word it is so much fun seeing a woman brought to the edge and then some, she was simply loving it and I was too. This occurred on a few occasions and it just made the whole time together fly by and so much fun. She makes such wonderful sounds as well, simply a natural and appreciative woman who really enjoys being treated the right way. I love to find her G spot, which blows her mind each time I succeed. She was so wet by this stage no lube was required and we both had to laugh as she dripping.

She brought me to the edge and then some with me emptying my balls all over those beautiful boobs. She was simply giggling and had that cheeky satisfied smile on her face, what a babe. We both showered cleaned up and left after a short kiss and cuddle.

She listens carefully and has quickly learnt the type of activities that I enjoy. A top notch lady in all respects, who I look forward to keep on visiting. Lilly is like a fine wine, she seems to get better all the time and makes me act like a youngster again, so what more could I ask. Well recommended.
