The Lady:

First impressions of Lydia were good. She's pretty, around 5-5, probably in her early 20s and with shoulder-length brown hair; her eyes are particularly nice, brown if I remember correctly (although I'm rubbish at remembering eye colour!). Her breasts are a nice, firm handful, and she has a slim, shapely body. Annabelle I have described in a previous review, blonde and buxom and very pretty and flirty.

Lydia doesn't have any details on the 00-44 website yet, as she only works part-time as an escort, but if you ask Pat, the agency owner, I'm sure he will provide information.

The Story:

Lydia has only recently started escorting. She and Annabelle had met earlier to get to know each other, and this meant they were quite relaxed when they came to my hotel. Once she had a G&T in her hand, Lydia was quite chatty. There was plenty of giggling coming from the bathroom when the girls excused themselves to get into their school uniforms.

Annabelle wore an 'official' escort school uniform, tight white crop-top and short skirt, Lydia had improvised with a tied-up white blouse over a black slip. Both girls would, of course, have been sent home if they had turned up at their respective schools in such attire, but, well, it is all a fantasy, isn't it? Little deviation from my usual role-play: the girls had an exam to pass, a series of questions within 5 categories to answer from me, their teacher, with wrong answers punishable in various ways - kissing, fondling, removal of clothing, light spanking etc. Unfortunately the girls did rather well this time, which meant I was naked before they were. During the exam, the girls alternated between kneeling down and sucking me while the other submitted to my caresses and provided DFK. Exam over, I then watched the girls getting rather passionate with each other as I went DATY. Lydia then sucked me while Annabelle went down on her, before Annabelle told me to come in her mouth, which I did while watching Lydia lick Annabelle's pussy.

Lydia beat Annabelle 3-2 in the exam, and Annabelle has promised to swot up for our next meeting. All in all, Lydia was very natural considering this was her first duo, and she and Annabelle seemed

to get on very well. I'm looking forward to seeing them both on my next trip to London.
