The Premises:

A clean, newly built flat on the Old Kent Road. It was an awkward place to get to. I got the tube to Elephant & Castle, walked a bit and then got a bus.

The Lady:

A dark haired Romanian girl with large natural breasts. She is a bit bigger than her profile pictures suggest, but her profile ID, Big Tits Evelina is 100% accurate!

The Story:

A good session which started with covered oral. That was very enjoyable and not too vigorous. We then switched to sex in the missionary position and as I hadn't come for a couple of weeks it didn't take me long to climax. I got dressed and could here another girl so I would imagine the flat is shared.
