The Premises:

The new venue close to West Kensington Tube Station perfectly adequate and presentable. The steps down to the basement will surely sort out any clients who may be worse for wear.

The Lady:

Ashley is accurately described in her profile and her pictures cannot portray all her beauty.

The Story:

Arrived slightly early but this was not a problem and I was promptly shown into a bedroom.

Ashley came into the room dressed in stunning lingerie and after a welcoming kiss encouraged me to get undressed before joining her on the bed where we started with some mutual exploration of each other before she offered OWO, was I going to refuse?????. This was very enjoyable and led to even more pleasurable mutual oral.

This was obviously followed by full sex starting with reverse cowgirl before completing a swivel and then doggy, missionary before finishing with more doggy. I fully intend to visit again.
