The Lady:

5.7 ft , really gorgeous red hair , perfect body and tits , one of the most perfect asses I saw till far.

The Story:

nothing special , started with forced unnatural conversation. some unenthusiastic kissing , I started eating with the pussy when I went for the asshole I heard a serious NOOOO. nothing should go near there , I was disappointed . she then started a poor handjob with two fingers technique , I hated that because it seems like she is detached or let us say disgusted . started doggy then cowgirl. At this point I was loathing from the whole experience . finished fast and there was about 8 minutes left but I did not care.

It was a gorgeous experience for the eye but my cock and body are not happy
