The Story:

Sabrina was the Advent lady of the day. Thank you very much to the management for such a fantastic Christmas present.

Sabrina entered the room in red bra and panties. My very own Christmas Cracker. She was a little late, she apologised and invited me to the bed.

We kissed, groped, fondled and had some really good banter.

Sensational. Sexy. Stupendous

Arse. (it looked great. It felt lovely, (especially spread across my face), and it tasted fantastic.

Brilliant.

Real. Randy. Revelation.

Incredible. Insatiable.

Never said no

Absolutely fuckin fantastic.

Sabrina was articulate, thoughtful, energetic and delicious in so many ways.

Everything about her is natural and she delivers a truly wonderful experience.

I feel very fortunate to have experienced Sabrina as a special present and will definitely be seeing her again.

I valued our chat at the end regarding my occupation and Sabrina opening up a little about herself. I look forward to our next encounter and just want to say thank you so much Sabrina for making me feel so good

I did tell Sabrina that if I was forced to give her a score it would definitely be an 11 out of 10 because it felt as if she went the extra mile to make me feel completely satisfied and spent.

Recommended. All day long and then some!
