The Story:

A quick kiss and the paperwork done we climbed on to the bed. All fairly standard stuff then although a little short on the OWO. This is the only girl who wanted my to lick her out! (Not something I normally do when I'm paying) Anyway, rubber on and we pumped away in a few positions before I shot my load up her. A clean-up and a quick chat whilst she danced in front of the mirror - this girl likes herself! And so did I but with a little more focus on the punter she could be sensational.
