Shorter than average; slim body with pert boobs. An attractive all round package

The Story:

This is the second time I have had this girl - so you can guess she must be OK (She is!) It's her body and then her face that attracts me - both lovely. Anyway I had a good time with her. If there is any negative it is that she doesn't smile much and get herself involved in the action - if she did I probably wouldn't bother with any other girls!
