The Premises:

A fine little flat with easy, cheap parking nearby

The Lady:

A pleasant girl, good body but beginning to show her age with some crinkley skin here and there. False boobs - rock hard, no 'give' in them at all.

The Story:

Nice kisser, but that strong accent does nothing for me - it sure ain't sexy. However, Charlie herself is fine and after a little OWO, we put a rubber on and got down to the main event - a number of positions all good and finally CIM. I had barely finished when she when off to spit out. I'm glad I met her but there are other girls at Annabelles to explore, so I am unlikely to have Charlie again.
