The Premises:

The place is jus a few minutes walk from Pimlico tube station. The maid was very helpful and let me have a shower before I met Pixie. The place is up to the usual high House of Divine standards.

The Lady:

Pixie is even more gorgeous in real life than her pixilated face photos on the website show. She has blonde hair, natural breasts and a shaved pussy. Her smile and her personality, as well as her looks, make her to be the perfecta escort and it's not hard to see why she is House of Divine's most successful girl ever.

The Story:

I was greeted by Pixie with a kiss and after sorting the money out, she took off her bra and lay on the bed with me. Then it got truly amazing. She gave me some wonderful OWO, which lasted for a few minutes and if the whole half an hour was spent like that, I would have been very happy. But then we changed to the 69 position and she tasted lovely. This lead on to me having sex with her in the missionary position, then her on top and then me from behind, finishing with CIM.

I can't recommend Pixie highly enough. She has a lovey smile but also a naughty side to her. If you are reading this, Pixie, my nipples are still hurting today! I hope to see her again very soon next year.
