The Story:

Its not often you have an perfect experience at these places but I can honestly say this was as close as i've been. (Only fault was not booking long enough)

Made a a quick call in and was shown to the room when Melissa walked in. Absolute stunner.

Had a wonderful back massage before rolling over to the highlight of the visit.

Melissa was really friendly and engaging throughout, like i said only fault was not booking long enough but won't be making that mistake again.

Can't wait to return!

See you soon
