### The Premises:

Plenty of parking behind Staples and only 10 mins walk from MK train station.

Large, contemporary room with double bed.

### The Lady:

What struck me first were Honey's beautiful eyes and not as one might expect her ample bosom and wonderful figure.

She looks even better in the flesh.

### The Story:

Honey is an absolute star. Why?

She puts her heart and soul into what she does. She has a wonderfully engaging personality and is a truly gorgeous lady. This was an amazing girl friend experience and porn star experience all rolled into one.

Sensous kissing, expert oral and passionate sex.

How could I not come back?

Very highly recommended. 10/10.
