Basement flat in West Kensington. Nice place, but be prepared for steep staircase down!

The Lady:

Peace is a pretty, petite but curvaceous young Thai woman. Lovely smile and naturally tanned body. She has some great photos on the website, which are a true likeness.

The Story:

This was Peace's last day at HoD in London. I had seen her recently, but just had to see her again before she left.

Everything that was on her list of services was available to me today. I really enjoyed the range of kissing, mutual oral, 69, and great sex. This time additionally her sweet bum was available for my pleasure. I will miss her.
