### The Premises:

Been described on here loads. Ego is discrete, clean. Staff always nice. Car park outside

### The Lady:

Wow. Poppy looks hot in her photos. She looks even hotter in person.

and those 32F's... there are no words to describe them! you just have to see for yourself!

Top this off with a great personality and I cannot really see how you can top her!

### The Story:

Poppy is not only super hot but is a great masseuse. She did the right amount of massage/teasing, and with that body having a B2B was bliss.

I cannot recommend her enough! but please leave some of her for me as I need to go back very soon!!
