The Lady:

Dollar is a 19 year old, pretty brunette from Romania. She has a curvy figure which is a delight to behold.

The Story:

This was my third visit to see Dollar and she gets better each time. The first time I saw her I had to admit that, apart from her face and body, there wasn't much to remember. Just another Eastern European import, working to pay the bills.

However, I'm glad that I've returned, as Dollar has certainly improved. She's more confident and has a sexier attitude. She is eager to please and is friendly. Kissing to start off with and then moved on to good session of owo. Looking down and seeing this cute EE teen sucking on my boner made me feel that life is good in MK!

Finished off the first round by banging Dollar doggy. It felt bloody good! Dollar has a sweet big ass that is divine to grab hold of and slap now and then!

Second round we took it more slowly and it was all the more enjoyable for it.

Dollar is now my go-to choice when I fancy a young EE. Make her yours as well!
