The Lady:

The pictures and stats are very accurate. Vicky is six foot and as pretty as the pictures. Hot body and obviously spends plenty of time in the gym.

The Story:

I love tall women and Vicky was an ideal choice. We were kissing very early into the booking. Started off slowly but soon she really showed off her snogging skills.

Vicky looks amazing naked and in the bedroom she satisfied my needs. A great deep BBBJ with plenty of eye contact and ball action. Varying the speed nicely. I wanted to eat her pussy so I asked her to sit on my face. I licked her till she got nice and ready for my cock. I gave her beautiful bottom a good licking too, she squealed in delight. We shagged in missionary before finishing in doggy. As I said I love tall women, and shagging Vicky with her long legs around me made my year. I look forward to see her again in 2017.
