The Story:

I have candice before so I was determined to visit her on this day so I made a booking with her in the morning managed to Finnish work earlier so I decided might as well make two booking the other being Lilly at half 6 for half hour and 7 with candice for 1 hour, I thought it would be a nice warm up I do like blondes however things didn't go to plan the traffic we horrendous m56 m6 m60 m62 m66 So I had to phone up cancel with Lilly but still could get there in time to see candice Literally got there with 3 minutes to spare normally I like to be 20 minutes early

Very positive experience for me I have met this lovely lady several times before

Walked into the room with a sexy body suit showing off all her curves made me very horny I was instantly hard

Straight into dfk while she played with my balls and wanked my cock

On her knees owo wet and sloppy great eye contact fucked her juicy melons on to the bed get more comfortable more owo I really enjoyed this

I love pussy

69 was on the menu for me and her juicy pussy was the main dish she's tastes lovely can't get enough I flipped her over and licked her out some more she said she enjoyed it I'm happy

On with the johnny her squatting on my cock while I played with her boobs

Missionary

Doggy on the bed

Doggy with me standing off the bed finally I could not hold out I asked if I could cum in her mouth she obliged I pulled out and exploded in her mouth went all sensitive she kept sucking I loved it she spat the cum out all over her tits I had to rub with my cock a sight to behold

We both had a quick clean up had a quick chat and I was ready for round 2 I felt rude asking but I think she knew

Round 2 pretty much the same expect I could go at a faster pace and I finished off with a titty wank

10/10
