The Premises:

As previously described .

Something I didn't mention before is the cleanliness of the place is well above average !

The Lady:

Jasmine , is a lovely looking Indian with long dark hair , a curvy figure . A lovely sultry face , which would be improved if she smiled more !

The Story:

I had booked a 2 girl massage with Jasmine and Demi , as a Christmas present to me . On arrival I was told Demi was of sick . Which disappointed me , as having seen Demi before in the flesh I was looking forward to viewing her assets . I was offered alternatives , but decided to see Jasmine alone .

The lady who was the receptionist was lovely and sorted the brews and the room out .

When Jasmine entered the room she is a very pretty young lady , but it became quickly apparent that she is the silent broody type . I much prefer some banter .

She stripped but left her knickers on , which I eventually asked her to remove , the massage itself was very enjoyable and she is very accomplished , there was just that little something missing .

I was left having had an happy ending but slightly frustrated .

This was a borderline no for her but I will put it down to a bad day .

Will I return ? Hell yes I still have an appointment in my head with Demi and Summer is a must see again !
