### The Story:

Decided to finish my punting year as it had began with a visit to Ella @ Annabellas. I had seen Ella on a number of occasions throughout the year with generally good results.

Comm's were easy and I was directed to flat next to MK Theatre.

Having seen Ella on a fairly regular basis, the drill was much the same. Started with DFK, OWO, ball sucking, poppers, spanking both ways, rimming on her, and her telling me what she wanted to put in my ass. She then proceeded to fuck me with my large strap on, before she inserted a large torpedo butt plug (B-7) which stretched me to my limit. We tried fisting (her on me) with some success, but I was fucked on poppers and badly needed a rest.

After a chat, we started again, but I was struggling to rise back to the occasion. There are many WG's who would give up, but to her credit, Ella continued to employ almost every trick in the book to get my cock back into action. She worked her magic with her mouth whilst teasing my ass with her fingers and soon had me filling her mouth with a nice creamy load which she duly swallowed!

A great punt to finish the year and I would happily return in 2017.
